

Profile

I am a Lighting Artist utilizing such software as **Katana/Renderman, Maya/VRay, and Nuke**. My initial educational background was in film working as a camera assistant on live action films and television productions including The X-Files, Free Willy 3, and multiple tv-movies. Since then I've been working in visual effects studios as a Lighting Artist on productions such as Ahsoka, Shazam! Fury of the Gods, Ford v Ferrari, and Justice League. In 2014 I was nominated for an Leo Award for Best Visual Effects in a Dramatic Series.
